## CATALOGUE ESSAY

Backes & Strauss presents the Piccadilly Princess Royal Emerald Green timepiece. A unique gift from Gemfields' Kagem mines in Zambia. The Schist Rock, from which the 245 Zambian green Emeralds have been ethically sourced, are abundant in the trace element chromium, which is responsible for the deep green hues of the stones in this striking ladies' watch. An exceptional example of the elite craftsmanship vigour in luxury watches at Backes & Strauss, each of the 10 cuts of emeralds have been seamlessly integrated into the Piccadilly Princess Royal Emerald Green for a flowing yet fixed finish on this masterpiece
