CATALOGUE ESSAY

Inspired by the bold architecture of John Nash's Piccadilly Circus, representing the heart of London, the latest addition to the famed Renaissance collection alludes to the unique Backes & Strauss heritage as the world's oldest diamond company. This horological jewel is set with a total of 1,037 Backes & Strauss signature Ideal Cut diamonds and has a white or royal blue dial measuring 40mm. As with every Backes & Strauss timepiece, the crown features a single Ideal Cut diamond known as the Jewel in the Crown.
