CATALOGUE ESSAY

Inspired by the bold architecture of John Nash's Piccadilly Circus, representing the heart of London, the famed Renaissance collection alludes to the unique Backes & Strauss heritage as the world's oldest diamond company. This horological jewel is set with a total of 874 Backes & Strauss signature Ideal Cut diamonds, where the bejewelled bracelet alone is set with 737 diamonds. As with every single Backes & Strauss timepiece, the crown features the signature Ideal Cut diamond known as the Jewel in the Crown.
