CATALOGUE ESSAY

Blancpain Villeret Carrousel Repetition Minutes, reference 0235-3631-55B. The watch features a 45 mm 18 carat rose gold & a White Enamel dial. The watch is fitted with an Alligator strap & a Pin buckle. Folding clasp. Carrousel Minute Repeater. This grand complication is the premiere in the history of watchmaking, combining a one-minute flying carrousel and a minute repeater with cathedral chimes. One-minute flying carrousel, Designed to counteract the perturbations induced by gravity on the accuracy of watches, the carrousel is a rare and fascinating complication. Blancpain has revived this device and incorporated it into a wristwatch for the first time.
